A) ROLE SUMMARY

FIELD	VALUE
Archetype	Mission-Driven Executive Director
Domain	Arts education / social mission / nonprofit
Function	Lead + fundraise + manage + represent
Seniority	Executive (directeur-bestuurder)
Remote	Amsterdam (on-site)
Team size	Small (stichting, estimated 5-20 staff)
TL;DR	Lead Stichting Tamino as executive director: strategic direction, fundraising, team leadership, board accountability, and championing arts education for vulnerable youth

Hours/Comp: 28-36h/week. Salary range not published. **Apply via:** [culturele-vacatures.nl](https://www.culturele-vacatures.nl) + direct to Tamino **Start:** Not specified; deadline June 16, 2026. **Location:** Amsterdam

Stichting Tamino is a nonprofit dedicated to high-quality arts education for children and youth in vulnerable circumstances - primarily in Amsterdam. The mission: every child deserves access to music, dance, theater, and visual arts, regardless of their background. The directeur-bestuurder is the single executive responsible for strategy, operations, funding, stakeholder relations, and team leadership.

B) MATCH WITH CV

JD REQUIREMENT	CV EVIDENCE	STRENGTH
Executive/leadership experience in small org	Tonomy Foundation co-founder + board member (2021-2026): built governance, board structure, org-legal transition	Moderate - startup, not arts sector
Fundraising and subsidy management	Windesheim: €2M+ innovation financing facilitated via consortium-building and subsidy routes over 5 years	Strong
Connection to arts / cultural education	Piano + kerkorgel lifelong practice; ICT management at youth centre "Downtown" Amstelveen (2004-2007)	Personal connection, not professional track record
Team leadership	Aeres (8-course transformation), Windesheim lectoraat (multi-team coordination), COTIT operational structuring	Moderate - project/lab leadership, not staff management
Stakeholder + partner management	VCH multi-institutional consortium, Windesheim board-level reporting, Tonomy regulatory + partner alignment	Strong

JD REQUIREMENT	CV EVIDENCE	STRENGTH
Strategic vision	Spark! Living Lab (built from zero to recognized program), VCH (cross-European consortium), Tonomy (governance + regulatory roadmap)	Strong for innovation context
Board accountability / governance	Tonomy Foundation: board member, governance design, MiCA compliance framing, stichting formation	Moderate
Knowledge of cultural funding landscape	No prior experience with Fonds voor Cultuurparticipatie, gemeente Amsterdam subsidies, SENA, or OCW	Gap

Gaps: 1. **No professional arts sector background** - Christiaan has personal arts experience (piano, kerkorgel) but no professional history in arts education, cultural programming, or cultural governance. This is the primary gap. 2. **Cultural funding landscape** - Dutch cultural sector funding (Fonds voor Cultuurparticipatie, gemeente Amsterdam, private foundations) is specific. Christiaan knows innovation/education funding routes, not cultural ones. 3. **Staff management at executive level** - Christiaan has led projects and small orgs, but direct line management of a team in a nonprofit setting is a development area. 4. **No formal arts education background** - Role likely requires credibility with music/dance/theater teachers. Christiaan's credibility is as a generalist builder, not a domain insider.

C) LEVEL AND STRATEGY

Level detected: Executive director. Full accountability: board, staff, budget, strategy, fundraising, external representation.

Christiaan's natural level: Can credibly lead a small org operationally and strategically. The arts-sector knowledge gap is real. Best framing: "generalist executive who deeply believes in the mission and brings the operational and fundraising infrastructure a growing stichting needs."

If asked about arts sector gap: Be direct. "Ik kom niet uit de kunsteducatiesector. Ik speel piano en kerkorgel, ik heb als tiener gewerkt bij een jongerencentrum, en ik ben er van overtuigd dat kunstonderwijs voor kwetsbare jongeren iets fundamenteels doet. Maar ik heb niet de sector-ervaring die sommige kandidaten hebben. Wat ik wel meeneem is hoe je een kleine missiegedreven organisatie operationeel haalbaar houdt en hoe je financiering genereert zonder de missie te verdunnen."

D) COMP AND DEMAND

ITEM	DATA
Offered	Not published
Hours	28-36h/week
Christiaan model	0.8 FTE fits fractional model
Comp estimate	€3,500-€5,000/month (cultural nonprofit sector in NL; directeur at small stichting)
Verdict	Below Christiaan's target range unless combined with other fractional work

Verdict on comp: Likely below solo-target. Viable as part of a 2-role fractional stack. Intrinsic motivation (mission) compensates for below-target comp risk.

E) CUSTOMIZATION PLAN

#	SECTION	APPROACH
1	CV summary	"Organisatieopbouwer voor missiegedreven contexten - brengt operationele structuur, financieringsinfrastructuur en stakeholderverbindingen

#	SECTION	APPROACH
		naar organisaties met een duidelijk maatschappelijk doel"
2	Cover letter	Lead with personal arts connection (piano + kerkorgel + Downtown youth centre). Be honest about sector gap. Lead with fundraising and small-org leadership strengths.
3	Praktijkvoorbeelden	Three examples submitted: Azerbaijan (decisive action without authority), Aeres (organizational transformation), Windesheim €2M (mission-preserving fundraising)

F) INTERVIEW PLAN

#	JD REQUIREMENT	STORY	NOTES
1	Fundraising without compromising mission	Windesheim €2M: turned down funding that came with content steering	Key differentiator
2	Executive decision under pressure	KONGSBERG Azerbaijan: contract confrontation without authority	Translates to board/funder confrontation
3	Team and culture leadership	Aeres: teachers as Scrum team, new roles defined	Shows pedagogical empathy
4	Building from nothing	Spark! Living Lab / Tonomy Foundation	Org-building proof

Red-flag questions: - "Heb je ervaring in de kunstsector?" → "In professionele zin niet. Maar ik ben een leven lang muzikant, en ik heb als tiener het jongerencentrum Downtown beheerd. Ik weet wat het voor een kind betekent als de ruimte er is om iets te leren dat niets met school te maken heeft."
