Gaps: 1. **Full-time (40h) only** - Christiaan's target is 2-3 concurrent fractional roles (0.4-0.6 FTE each). Impact Hub expects a full-time commitment. Structural mismatch with fractional model. 2. **Impact investing mechanics** - Has investor perspective (seed rounds, own capital), but not VC/fund mechanics, term sheets, or investment committee experience. 3. **€5,000-€5,500/mo** - At the very bottom of Christiaan's target range (€5,417 minimum). 8% holiday + 4% pension partially compensate. 4. **Certified B Corp / impact measurement framework** - Familiar with CSRD/ESG, but not formal B Corp or impact reporting methodology.

C) LEVEL AND STRATEGY

Level: Senior programme manager. 8yr requirement met comfortably.

Sell: Lead with VCH as clearest accelerator-adjacent proof (cross-sector consortium, value chain innovation, EU-scope). Beer Game as ecosystem-based learning design. COVID-19 Megaproject as complex multi-stakeholder delivery. Spark! Lab as venture-founding energy.

Fractional constraint: This role is full-time. Applying is a GO only if Christiaan is open to full-time at this company. Otherwise: pass.

D) COMP AND DEMAND

ITEM	DATA
Offered	€5,000-€5,500/mo + 8% vakantiegeld + 4% pension
Target	€5,417-€7,500/mo
Verdict	Borderline - upper end at €5,500 + 8% = €5,940 effective. Just within range. Full-time only reduces flexibility.
